TIPS FOR A GREAT STORYTIME!

All of our story programs are based on Early Literacy Skills and are developed for a specific age group. Please respect the safety and learning environment of the group by attending with the appropriate age child. This helps you and your child focus and participate fully.

- Arrive on time.
- Adult participation adds to your child's experience.
- Turn off cell phones.
- If your child is unhappy or disruptive, please leave the room for a short time.
- Occasionally, the Storytime is not a good match for your child. In this case, we suggest you take a break from the program for a few weeks.
