Before Kindergarten project.

Little English Learners provides support for storytime success.
Active outreach in schools and local events is building a community of readers.

Milltowner Redevelopment coming soon– 5 new buildings and new parking.
Bethany Plaza expansion delayed, but interim annex space for programs is planned.

Thanks to the 1,320 members of the Cedar Mill Community Library Association, your libraries provide service to more than 2,000 people every day. Almost 40,000 items were added to the collection last year and more than 2,000 programs for children, teens and adults were presented.

In the coming year, new furniture, energy improvements and computers will be added and a new WCCLS catalog will be rolled out. The support of Washington County Cooperative Library Service,(WCCLS) is essential for the library’s success. Thank you for supporting your community Library.

Anne Madden, Board President  Peter Leonard, Executive Director
