Sato Elementary Community Partnership

Cedar Mill and Bethany Community Libraries’ Community Outreach program includes building strong partnerships with local schools. Library staff members speak to thousands of students each year about resources, programs and opportunities.

This spring, Bethany Library staff participated in Sato Elementary School’s Read Across America Day celebration this spring. Steve Baglin (left) and Marianne Coalson (above) were guest readers and read stories to 100 students in 4 classrooms. Created in 1998 by the National Educational Association, Read Across America Day is held on March 2nd to celebrate a nation of diverse readers.

Art Project Showcases Community’s Creative Spirit

Visitors to the CML Youth Services area are enjoying a new artwork installation. The installation is a collaborative art project created by patrons from Cedar Mill and Bethany libraries. The coordinator of the project, Youth Services Librarian, Teresa Salatino, was inspired by a session at a library conference and knew it would be a great fit for the libraries’ community. Teresa wanted to bring joy and art into the library while promoting sustainability. She assembled hundreds of take-home kits that included withdrawn CDs and DVDs and yarn for patrons to create their own woven masterpieces. “We were so happy when almost 200 discs were returned for display!” Teresa said.
KPTV Fox 12 News visited Cedar Mill Library this spring to talk with Teen Services Manager and curator of the Library of Things, Mark Richardson. The interview appeared on the channel’s morning show, *Good Day Oregon*. CMBCL added the Library of Things in 2015. The collection has since grown to feature a wide variety of popular items including technology, board games, and educational toys. Most Washington County libraries now house collections of items that patrons are surprised to find, such as:

- Thermal cameras
- Keyboards, drum machines, violins, ukuleles, lyres and kalimbas
- Coding robots and robot pets
- Sega, Playstation and Atari game consoles
- Webcams and GoPro cameras
- Filming accessories such as ring lights, microphones, and green screens
- Mobile Hotspots
- Chromcast and Roku streaming devices and Blu-Ray players
- 3D Pens and drawing tablets
- Portable speakers, CD players, turntables and karaoke machines
- Drills, engravers, air quality monitors and metal detectors
- Bubble and fog machines
- Telescopes, microscopes and science kits
- Board games, toys and building sets
- VHS to DVD, VHS to Digital and Tape to Digital Converters, DVD burners and scanners

Items are owned by various libraries and due to their packaging, must be checked out from and returned to the owning library. Learn more by searching the Washington County Cooperative Library Services catalog at WCCLS.org for “library of things” or visit your local libraries’ websites.

TEENS

Teen Artists Inspire Summer Readers

Kaitlin M., an 8th grader from Stoller Middle School, won 1st Place in the 2023 WCCLS Summer Reading Teen Art Contest. Her piece depicting singing birds captured the essence of this year’s ‘Find Your Voice’ theme. Kaitlin won a $200 Amazon card for her entry, and her art will be featured in program promotion.

The contest’s 3rd Place winner was Jasper G., a Sunset High School student who created a stylish picture of a wolf singing into the night. His prize was a $50 Amazon gift card.

Library Board Welcomes Natalie Paik
Natalie Paik is a Fabric Developer and recent graduate from Rhode Island School of Design. She grew up in the Bethany/Cedar Mill neighborhood between the Bethany Library and the Cedar Mill Library. During high school and college, she loved visiting Cedar Mill Library to check out cookbooks, classic fiction, essays, and knitting pattern books. Natalie believes that developing a love for reading while young is one of the most meaningful ways for children to feel empowered and stay curious as they grow up. She volunteers at Second Edition Resale and loves learning about old and new objects.

CMBCL Says Goodbye to Dedicated Volunteer
Cedar Mill and Bethany Community Libraries celebrated the legacy of long-time volunteer, Winona Bodine, last March. Winona volunteered over 2,100 hours at Cedar Mill Library between 1997 and 2016. She particularly loved to see the children coming in for Storytimes. Her sunny outlook and unabashed love of the library and its people made it a joy to work with her, for staff and other volunteers alike.

“I remember how much Winona loved interacting with parents and kids coming in for morning Storytimes! She will be missed.” —Sonia Cherian, Circulation Supervisor

“Winona greeted countless library users while checking in books at the Cedar Mill return desk.” —Peter Leonard, Executive Director

To learn how you can volunteer at the libraries and resale shop, visit library.cedarmill.org or contact Volunteer Services Manager, Jennifer Imai, at  (503) 644-0043 x111 or jeni@wccls.org.
