## KIDS

### Fun With Forts

Building a fort at home is both fun and educational. Forts can be a cozy reading nook, a castle in an imaginary land, a special spot shared with a sibling, and more.

Fort-building develops creative and analytic skills while offering opportunities for unstructured playtime. Forts encourage kids to slow down, feel safe, and enjoy a sense of privacy. Relaxing in an outdoor fort or having a backyard camp out is a great way spend time in nature.

Visit [Library.CedarMill.org/WiserKids](https://Library.CedarMill.org/WiserKids) to find links to fort book lists, articles and examples in the WiserKids blog.

Find more CMBCL lists for kids by visiting [WCCLS.Bibliocommons.com](https://WCCLS.Bibliocommons.com) and searching #WiserKids. Make sure to select "Search the *Catalog* by *Lists*."

*Night* by Elie Wiesel is a memoir based in the Nazi German concentration camps at Auschwitz.
