Winter Reading Challenge for All Ages
December 1-31, 2022

Help our community by reading and getting involved with the library this winter! Everyone can participate, including being read to.

1. Take a paper log, or sign up in the Beanstack App or at librarycedarmill.beanstack.com.
   (Children under 13 must register under an adult's account.)
2. Read and do activities. Complete a row, column or diagonal to get a bingo, or complete all squares for a blackout.
3. Return paper bingo cards to the library by December 31.

Every hour read equals a 10 cent donation and every activity completed equals a 25 cent donation to the Oregon Food Bank, up to $1,000.

Our Community Goal: Read 10,000 hours
